ADDENDUM 1

The following were attendees at the walkthrough on Thursday, November 3, 2016:

Walton Polyurethane Foam & Coatings-Garrett Domingue
Brazos Urethane-John 'Butch' Scoggins
Molitor Enterprises-Larry Molitor & Lary 'LC' Crocker
Smart Seal Foam Insulation-William Roush

Questions and clarifications made during the walkthrough were as follows:

- a. The air conditioning units will be removed by Henderson County personnel.
- b. The cove breaks should remain in place and foam sprayed up to flashing.
- c. Wood blocks should be replaced with womanized wood blocks.
- d. Obtain any city permits required to remove and replace existing gas lines by licensed plumber.
- e. Blue print copies are available upon request.
