Kelley – What is going to happen since Texas got two more seats? Redistricting probably won't be finished until June. The State will have to deal with it in a special session, and there will have to be another session to change the dates.

Kaufman County line discrepancy was discussed stating that everything needed to be done legally. This county line discrepancy has been going on since the 1890's. The notch in the county line came from a Republic of Texas Land Grant. This will take a credited surveyor to see where the county line is.

Motion made by Dan Hunt and seconded by Kelley Townsend to adjourn the meeting @ 2:59 P. M. Voted unanimously by those present.
