Comm. McHam wanted to say a public thank you to Judge McKinney for the time he spent on this project and his forethought in allowing the group to come together and work on this process. This being Judge McKinney's third redistricting process and his knowledge of the process and was able to guide us through it and making the right decision for the county. He did a tremendous job and his ability to explain why we made the changes that were made. He spent a lot of hours on this, splitting Henderson County into the new Congressional Texas House District. Thank you for all of your hard work you put in and the knowledge you brought to the table.
